

Bagged lunches for our guests from Connect-By-Night(CBN)
(Underlined items are very important)

-Our goal is to provide a bagged lunch daily for each of our 50 guests throughout the month of February.

-Please understand that if we do not receive 50 lunches for a given date, no lunches may be given out on that date, per CBN rules. You can sign up in 10 lunch increments. Consider combining your efforts with friends.

-The completed lunches can be placed in the silver commercial refrigerator in the social hall kitchen any time on the date for which you volunteered. The church office is open until 2 pm M-F and if you check the church calendar you can see the schedule of evening meetings for which the church will again be open.

-The lunches are not passed out to our guests until early the next morning, right before they leave the church.

-We suggest that you attempt to provide the following, but these are only suggestions:

+Sandwich +Beverage +Piece of fruit +Snack

****Place lunch in bag CLEARLY LABELED with the date for which you volunteered.**

****Bring the lunches to church on date for which you volunteered**

EXAMPLE: IF YOU SIGNED UP FOR FEBRUARY 3RD, LABEL YOUR LUNCH BAG FEBRUARY 3RD AND BRING TO CHURCH ON FEBRUARY 3RD.

Unfortunately, our refrigerators cannot hold excess lunches and chaos is created for the CBN employees if it is not clear to them what must be passed out to the guests on a given date.
